

TENANT ADVISORY GROUP (TAG)

Thank you for showing an interest in the Link Housing TAG!

Have you considered becoming a valued member of our Tenant Advisory Group but would like some more information on the group first? Read on...

What is TAG?

TAG is a forum for tenants to raise issues, discuss options, plan actions and obtain support to improve the quality of life for themselves, their neighbours and the broader community.

What would I have to do?

Members of TAG enjoy being involved in a wide range of services and activities including:

- Participation in meetings and events
- Discussing issues on repairs, tenancy or welfare and generating solutions
- Providing feedback on Link's policy and procedures directly affecting tenants
- Advise on how Link communicates with tenants
- Assist in planning community programs including competitions, special events, forums and the education scholarship
- Providing advice on how tenants can participate e.g. surveys or workshops

How much of my time would I have to give?

As a member of TAG, you can be involved as little or as much as you would like to participate in. However you are required to attend two of the four Office meetings and one of your regional group meetings.

Who can sign up?

All current tenants of Link are eligible to become a member of TAG in their local area.

What's in it for me?

- Create new friendships with other tenants that continue to grow outside of group meetings
- Let your voice be heard
- Be a source of information and voice for fellow tenants in your community
- Enjoy the satisfaction of your views and input influencing the way Link Housing works with tenants and the community

What can I achieve?

- A new skill set, including the ability to discuss issues and put forward valuable views effectively and chairing meetings
- Knowledge on the organisation and how a Community Housing organisation operates.
- A sense of well-being and giving back to the community

Where do I have to go?

TAG meetings take place at the Link Housing Office in Chatswood, normally lasting around 3 hours with lunch provided.

TAG representatives will also nominate 1-2 representatives to meet with the Board on scheduled dates.

Will my travel be reimbursed?

Yes, Link Housing will annually pay for each TAG member's reasonable expenses including transportation to and from meetings or providing necessary stationary required by members.

If you require further information or are interested in attending one of our meetings contact the community development coordinator.
